

UPPER DUBLIN TOWNSHIP
CONSENT TO PUBLISH
SPECIMEN TREE INVENTORY

WHEREAS, Upper Dublin Township (the "Township") has undertaken a study (hereinafter "Study") of the significant trees situate in the Township for the purpose of identifying specimen trees, including historic, rare and unusual trees, on public and private property; and

WHEREAS, the Township desires to publish the results of the Study setting forth its findings and identifying the location of these specimen trees; and

WHEREAS, the Township will withhold information concerning the location of those specimen trees located on private property unless the consent of the property owner(s) has first been obtained; and

WHEREAS, it is the purpose of this document to record the Consent of the owners of private property to the publication of information concerning the existence of specimen trees on their property.

NOW, THEREFORE, I/we, the undersigned, after having been informed by the Township that one or more specimen trees are located on my/our property, do hereby confirm that I/we are the sole owner(s) of the property whose address is _____, Upper Dublin Township; that I/we hereby consent to the publication by the Township of information concerning the nature of such specimen trees, their location on my/our property and the address of my/our property; and that I/we do further release the Township, its agents, workers, employees, elected or appointed officials and its independent contractors or consultants from any liability whatsoever, liquidated or un-liquidated, actual or consequential, which may arise or occur as a result of the publication of my/our address along with a recital of any tree specimens located on my/our property.
