Re: 2024 Line Painting Program

Dear Resident/Property Owner,

This letter is to notify you that the Township's 2024 Line Painting Program is scheduled to begin on August 30, 2024. Alpha Space Control, Inc. will be performing the work. The work schedule is **dependent on weather and equipment operations.** Line painting will not impact traffic or parking, and the paint should only require a few hours to dry. However, it is strongly encouraged to avoid driving over the lines for the first two hours following the painting.

Any changes to the scheduled work date can be found on the Township website.
